EXEMPTION FROM PARTICIPATION IN GMAAA SENIOR/ AGE GROUP MEET

As you are aware, the GMAAA Senior/ Age Group Meet besides being a District Championship, is also a selection trial for the MSAAA (Maharashtra State) Meet, which in turn forms the basis of selection for the Senior/Age Group Nationals conducted by the SFI (Swimming Federation of India). It is, therefore, imperative for all GMAAA swimmers to participate in the GMAAA Senior/Age Group Meet, as only top six in each event qualify for the MSAAA Meet. It has been observed over the years, that several swimmers are not participating in the GMAAA Meet citing a variety of reasons, but seek selection for participation in the MSAAA Meet on past performances (not contemporary). It has, therefore, been decided that exemption from participation in the GMAAA Senior/Age Group Meet would only be considered in the following cases and subject to conditions specified:

- a) **If the swimmer is required to appear for a School/Board/College/University exams on the days of the GMAAA Senior/Age Group Meet provided adequate proof is produced to show that the exam dates clash with the GMAAA Senior/Age Group Meet.** Swimmers seeking exemption must ensure that their entries are sent by their respective clubs/units/institutions for the GMAAA Senior/Age Group Meet in the events that they desire to be considered for selection for the MSAAA Meet. They are also required to make an application well in advance before the

GMAAA Meet with their most recent timings (not older than 3 months from the GMAAA Senior/Age Group Meet) recorded in a competition supported by a Certificate.

- b) **If a swimmer falls ill or suffers an injury before/during the GMAAA Senior/Age Group Meet, thus preventing him/her from participating in the Meet, provided he/she produces a Medical Certificate in support of the same.** Swimmers seeking exemption must ensure that their entries are sent by their respective clubs/units/institutions for the GMAAA Senior/Age Group Meet in the events that they desire to be considered for selection for the MSAAA Meet. In cases where the illness or injury has been suffered before the GMAAA Meet, they are also required to make an application well in advance with their most recent timings (not older than 3 months from the GMAAA Senior/Age Group Meet) recorded in a competition supported by a Certificate.
- c) **If the swimmer is undergoing training in a National Camp organized by the SFI or is participating in an international meet as a member of the Indian team at or around the same time as the GMAAA Senior/Age Group Meet.** Swimmers seeking exemption must ensure that their entries are sent by their respective clubs/units/institutions for the GMAAA Senior/Age Group Meet in the events that they desire to be considered for selection for the MSAAA Meet. They are also required to make an application well in advance before the GMAAA Meet with their most recent timings (not older than 3 months from the GMAAA Senior/Age Group Meet) recorded in a competition supported by a Certificate.
- d) **If the swimmer is undergoing training overseas at the time of the GMAAA Senior/Age Group Meet, provided his/her timings recorded in a recognized competition (long course) conducted before the GMAAA Senior/Age Group Meet, are available on a website for verification of current (contemporary) performances.** Alternatively, they are required to submit their most recent timings recorded in any swimming meet in India (not older than 3 months from the GMAAA Senior/Age Group Meet) supported by a Certificate. Swimmers seeking exemption must ensure that their entries are sent by their respective clubs/units/institutions for the GMAAA Senior/Age Group Meet in the events that they desire to be considered for selection for the MSAAA Meet. They are also required to make an application well in advance before the GMAAA Senior/Age Group Meet intimating the country/club they desire to visit and coach under whom they would be training.

It is an earnest request to all the constituents of GMAAA to carefully read the above instructions and ensure their diligent adherence and compliance to ensure that the swimmers concerned are not put through any hardships in their pursuit of excellence.
